NOW YOU'RE COOKIN'

Our **multiple element** options provide up to 3,000 watts to help you cook more of your favorites at the same time.

ADD MORE "YUM"

Large oven capacity gives you the space you need to make dinner and dessert at the same time.

READY. SET. COOK.

Bake Assist Temps make cooking even more convenient. Just select a temperature, press start and let the oven do the rest.

STICK A FORK IN IT

The **Temp Assure™ Cooking System** distributes heat throughout the entire oven to help comfort foods like baked chicken parmesan or mom's beef pot roast taste just how you like them.

SELF-CLEAN OPTION

There's no need to scrape and scrub with the **Self Clean Option**. Use this setting to let your range do the dirty work for you in just two to four hours.
